CFP® certification education review courses

	The Dalton Review® Virtual Class & On-demand	Guarantee to Pass™ Review Virtual Class & On-demand
Live instruction + On Demand Instructor-led, live-online classes designed by previous CFP® Board of Examiners members — all recorded for On Demand Review.		
Textbooks (print or eBook) A well-written, complete and up-to-date program presented in the right order with the right topic emphasis to maximize preparedness. *Please note that print versions come with an additional cost.*	✔	✔
Review readiness Study materials and tests that provide a clear answer on the hardest question of all — "Am I ready?"	✔	✔
Exam readiness predictor Proven predictions of the chance you'll pass based on performance during the Review Readiness tests.	✔	✔
Question bank, mini-cases and cases Extra test questions and scenarios built to increase understanding and reinforce learning through repetition.	✔	✔
Mock exams Trial runs that mimic all aspects of the actual CFP® exam, so by the time learners get to the real thing, the pressure's off.	✔	✔
Live office hours Answers to your questions and advice from some of the best in the business — all in an individual setting.	✔	✔
Calculator book The tips and tricks you need to save time and make sure your calculations are correct during the CFP® exam.		✔
Digital flashcards A proven method of quick study to help recall the many concepts and definitions covered in the CFP® exam.		✔
Individual coaching One-on-one advice about what to study less, what to study more and an overall idea of when learners might be ready.		✔
Supplemental lectures A bank of video study material to reinforce learning by hearing the same thing several times, but in different ways.		✔
Supplemental Q/A lectures Practice study questions that test knowledge and eliminate the possibility of surprises.		✔
100% money-back guarantee Full refund if you don't pass. Although, we know you will.		✔
